MEMBER BENEFITS AND APPLICATION

ATFI is a growing alliance of concerned businesses and individuals that are working together to prevent tolling of existing interstates. Join us as we educate the public and support our members with the tools they need to protect our roads.

Our goal is to develop a growing alliance of individuals, businesses and organizations that will advocate for solving our growing transportation needs without tolling our existing interstates.

A strong, broad coalition of businesses, industries and citizens is necessary to carry our message nationwide to policy-makers at all levels of government, the media and the public. ATFI will engage in grassroots outreach, media relations, policy education, and legislative activism to keep tolls off of existing interstates.
